## Second E-Waste Event a Huge Success! We collected over 40,000 pounds of E-Waste!

Last Friday and Saturday we worked with ARC to host an E-Waste recycling event at the Equity Office Park parking lot on San Bruno Avenue and Traeger Road. Thanks to Deborah's extra efforts on getting the word out, we collected 40,577 #'s from very grateful businesses and individuals! This has definitely become a signature event for the San Bruno Chamber and we look forward to hosting many more! Thanks to Emile Hons, Dr. Benton Wong, Rosalyn Yu and Deborah for helping out on site! A huge thanks to Equity (Christian Souza) for letting us use their lot as well as to Clarissa Lee with ARC and her very hard workers! Very physical labor for two days straight and they were magnificent!

## 2008-2009 Directory Sales Going Strong!

We appreciate the confidence you have placed in the San Bruno Chamber of Commerce! If you haven't sent in your Verification form for the Directory, please do so. If we haven't received it by August 8, we will assume there are no changes to your information. Remember 10,000 copies will be printed for distribution throughout San Bruno!
