July/August 2005

Welcome from New President

Nearly 70 members listened intently as Mayor Larry Franzella gave his *State of The City Address* at this year's Chamber Installation luncheon. His report on the revitalization of the Downtown, including a new Starbucks and the development of the old Wells Fargo site and the re-opening of *The Shops at Tanforan*, brings assurance in the economic vitality of San Bruno.

Newly installed President

With that same assurance, the San Bruno Chamber of Commerce has plans to grow and improve its operations in the 2005-2006 fiscal year. Last year, our membership increased by 10% and this year we expect to double that. We are in the planning stages of our 2nd Annual Autumn Fest, scheduled for October 1st in San Bruno City Park. This is a great opportunity for businesses to promote their products and services at a "community-based" event. Applications and sponsorship forms will be available soon.

I would like to welcome our newest Board Member to the San Bruno Chamber of Commerce, Emile Hons. Emile, from *The Shops at Tanforan*, has served on the Board numerous times, including two terms as President.

Also returning to the Board for a second two-year term are Scott Buschman, *Scott Buschman Photography* and Ben Colombo, *San Bruno Graphics*. It's their kind of dedication and that of all of our Board Members that will guarantee another successful year.

It's an exciting time for the San Bruno Chamber of Commerce and as President I am committed to leading the way and taking the Chamber to new heights. I invite all of you to participate in the coming year and be a part of something great!

Past President's Message

Being president of the San Bruno Chamber of Commerce was an exciting and interesting opportunity. I will continue to support our Chamber as the "Past President" with just as much enthusiasm or more! Thank you all for making the experience a pleasant one!

Our team worked hard together, focusing on the same goals and sharing the same belief that our business community and city deserve special attention and we can all make a difference if we work together! Each month we have enjoyed new business openings, continued business mixers and numerous business events.

What a great year the San Bruno business community has experienced so far! How excited we are to have the Shops at Tanforan open in October! We want to celebrate our city! Bring it on!

Sincerely,

Karin Cunningham
